

Workshops and Trailblazers

Camp Harbor is pleased to offer an exciting Workshop Program to those campers who want to keep their academic momentum going, receive an extra boost to improve skills, or that extra challenge to move ahead. Harbor offers its workshop program as a supplement to the Camp Harbor program or as a program on its own. This is an exciting option for boys and girls interested in concentrating on or developing a particular skill or interest that they might not be able to pursue during the regular school year.

Workshops participants may elect to join the camp program upon completion of their classes or return home. Students enrolled in Camp Harbor will be taken to their workshops at the appropriate time and will return to their camp group at the end of class. The workshop classes, in combination with the Camp Harbor program, are optional and available at an additional charge. Please note that only students enrolled in the five-day camp program may participate in the workshop program.

The Trailblazer program is a half-day program, from 9:00am-12:30pm, with classes in science, lacrosse, art, and cheerleading. All of our classes will be taught by certified teachers or coaches, and the half-day program will also include a recreational swim and a snack. Just like workshops, Trailblazers can be done as a supplement to the Camp Harbor program or as a program on its own.

Academics

Students in the Academic Workshops may strengthen and develop their language arts (reading/writing), and math skills in morning classes. Because classes are small (maximum of 6 in the younger groups), there is time for a high degree of interaction between teacher and student, and individual needs can be given even more attention than during the regular school year. The atmosphere is relaxed, and emphasis is on making the learning experience enjoyable. These classes are structured in **two-week sessions**: the weeks of 7/05 and 7/11, 7/18 and 7/25, 8/01 and 8/08. However, varied activities allow students to attend for any number of weeks without concern for sequence.

Language Arts

Grades 1-6

Time: 9:10 am

Available 7/5 & 7/11, 7/18 & 7/25, and/or 8/1 & 8/8

Students focus on reading comprehension, vocabulary development, phonics and writing skills. The enjoyment of reading and writing will be stressed in this class as students strengthen their skills. Various textbooks, workbooks, games and skill series will be used. The goals of the students enrolled will be taken into consideration when planning the specifics of the curriculum.

Math

Grades 1-6

Time: 10:30 am

Available 7/5 & 7/11, 7/18 & 7/25, and/or 8/1 & 8/8

The focus will be on basic skills in addition and subtraction, including problem solving, speed drills, money, geometric shapes (for younger grades), telling time, skip counting, place value, and basic geometry (for the older grades). Manipulatives, group activities, games and various workbooks will be used. The specific goals of enrolled students will be addressed.

Kindergarten Readiness

Kindergarten

Time: 11:30 am

Available 8/1 or 8/8

This "fun" class is designed to develop and expand pre-reading and math skills. This will include activities in number and letter recognition and formation, sequencing, counting by 1s, 2s, 5s, 10s, simple addition, vowel sounds, name writing basic geography, and school safety rules.

Camp Harbor Hawkeye News Crew

Grades 5-8

Time: 10:30 am

Available 7/5 & 7/11

This workshop is set up for those campers interested in writing and journalism. Throughout the writing process our campers will be joined by a special guest instructor from Newsday's Kidsday Edition. To sharpen their skills and hone their journalistic instincts, campers will interview their peers and the staff as they contribute to our weekly newsletter, The Hawkeye News. At the end of the program with the group will take part in a real celebrity interview and write an article for Kidsday! **Please note this is a two week workshop.**

STEM Program

Camp Harbor Crime Lab

Trailblazer 9:00am – 12:30pm

There have been a lot of mysterious things happening at Camp Harbor lately, and somebody needs to get to the bottom of it! In this Trailblazer, our campers will be presented with a different mystery each day. Learn about fingerprinting, DNA, analysis and much more. Our Camp Harbor Detectives will put their heads together to go undercover and gather evidence as they use what they learned about forensic science to bring the case to close.

Grades 4-8

Available 7/5

Roller Coasters

Trailblazer 9:00am – 12:30pm

In this Trailblazer, our campers will take on the role of an amusement park engineer. You'll learn how the forces of energy, acceleration, and momentum are used to make everyone's favorite amusement park rides: Roller Coasters! Upon completion of your crash course in the physics of roller coasters, you will design, name, and build your very own coaster.

Grades 4-8

Available 7/11

Forces of Nature

Trailblazer 9:00am – 12:30pm

Mother nature is a beautiful thing, but when she unleashes her power it's equally impressive. In this Trailblazer, campers will learn about hurricanes, tornadoes, earthquakes, tsunamis, and more. Take on the role of a junior meteorologist and geologist as we learn about the power of these forces of nature and what scientists use to study them.

Grades 1-3

Available 7/18

Space Exploration

Trailblazer 9:00am – 12:30pm

Calling all astronauts and astronomers of the future... we need you to take a journey to the final frontier: Outer Space! Campers will learn about the mysteries of the universe and the very small part of it we call home. Study the Earth and its moon, the constellations and their stars, and our 7 other planetary neighbors (Pluto too!). Sign up now before everything fills up, spots are limited on this intergalactic adventure.

Grades 1-3

Available 7/25

Lego WeDo Robotics

TBA

With Lego WeDo's campers can learn about constructing and operating simple machines. By starting with the basic building blocks that make up all of the machines that surround us in our modern world, campers will learn to build, manipulate, and operate simple machines. From motors to gears to pulley systems and belts, campers will learn what makes the world...and a lot of other things...go round.

Music

Guitar I

Time: 10:30 am

This workshop is for those who would like to pick up the guitar for the first time! Campers will learn the parts of the guitar, notes, scales, and even some beginner songs! Please Note: Campers must provide their own instruments. Campers must bring instruments to and from camp with them each day; they may not be left overnight.

Grades 4-8

Available 7/18

Guitar II

Grades 4-8

Time: 10:30 am

Available 7/25

This workshop is for those who took Guitar I or already have a little experience with the guitar. Campers will learn additional scales, chord, and some more songs to jam with their friends! Please Note: Campers must provide their own instruments. Campers must bring instruments to and from camp with them each day; they may not be left overnight.

Ukulele

Time: 11:30

The ukes are back! Go beyond the basic ukulele lesson learned in music class to refine your craft and become a ukulele extraordinaire. Learn new notes and techniques, so you can jam out to the sweet sounds of the ukulele. Please Note: Ukuleles are supplied by Camp Harbor, but spots are limited.

Grades 2-8

Available 7/5

Broadway Musical Trailblazer

Trailblazer 9:00 am- 12:30 pm

Singers and dancers wanted! Want to learn how to sing some of the most popular Broadway songs? What to experience the choreography of a Broadway musical? We've got the right Trailblazer for you. The objective of the program is to introduce the basics of musical theater and focus on the techniques and principles of theater as an art form. We will learn how to warm up the voice, how to sing properly, and gain expression, confidence, and artistry all while singing fun musical theater songs! We will cover a variety of concepts which include facial expressions, body language, and dance. The program will be taught by the lovely pair of Ms. Kim Kuethen and Ms. Lacey Cornell.

Grades 2-8

Available 7/11

Art

Mad About Movies Art Camp Workshop

Time: 11:30

You will love this camp if you love movies and the kooky characters, animations, and illustrations in them...from MINIONS to dinosaurs to out of this world environments! Campers learn how movies are made, tell movie stories and recreate favorite movie characters! Explore animation, storyboards, movie music, games, and more while making new friends and exploring creative abilities.

Grades 2-8

Available 7/25

ZooDoodle Safari Art Camp Workshop

PreK-1

Time: 11:30

Available 7/11

Lions and tigers and snakes, oh my! Off on safari we go and create jungle cats, monkeys, elephants, and more when you go on this adventure with Abrakadoodle. During camp we will keep a jungle journal to take notes and create pictures of your adventure. We will play games, listen and sing along to music, plus tell animal stories while on the exploration. So pack your gear and let's take off on a ZooDoodle Safari with Abrakadoodle!

Painting Step-by-step

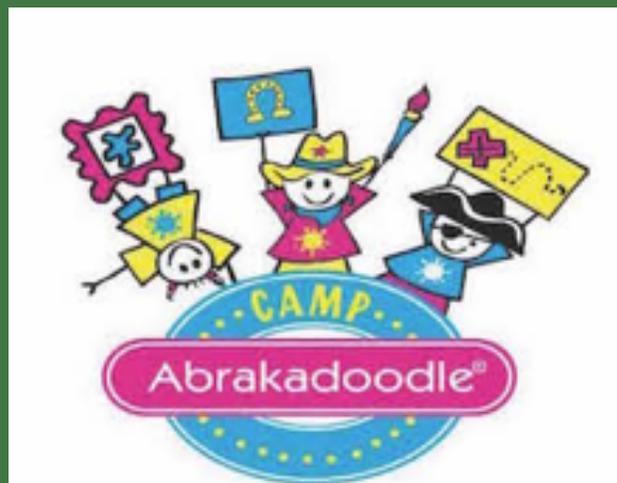

Trailblazer: 9:00am – 12:30 pm

Step into painting with Abrakadoodle and learn that you can create amazing artwork! These step-by-step projects will build confidence and offer the opportunity to create beautiful art beginning to end to take home or to share with loved ones. Create colorful landscapes, delicate floral compositions, acrylic and watercolor paintings to hang on your walls, and home decor to brighten any room!

Grades 4-8

Available 7/18

Brought to you by our friends at

Athletics

Flag Football

Time: 11:30 am

Grades 4-8

Available 7/18

Are you ready for some FOOTBALL?!? This instructional workshop is designed for players to learn the basics of football and have fun while doing it. Learn the wide receiver route tree, defensive concepts, and throwing mechanics. Each day ends with a scrimmage, so campers can showcase their new skills. The workshop is non contact, therefore no additional equipment is needed. Minimum of 8 campers needed for this workshop to run.

Camp Harbor Olympic Trials

Grades 2-8

Trailblazer 9:00 am- 12:30 pm

Available 7/25

The 2016 Olympics are right around the corner, and what better way to learn about some of the Olympic events than to jump right in and experience them first hand. This program is designed to give campers a taste of different sports not typically done in school, such as Water Polo, European Handball, Badminton, and Track and Field. There will also be some old Camp Harbor favorites such as Archery, Soccer, and Volleyball as well.

CIT Training

Babysitter Course (Red Cross)

Time: 9:10 a.m. or 10:30 a.m.

Grades 5-8

Available 7/18

Students will learn the responsibilities of being a babysitter, how to handle emergencies and prevent accidents, how to play with children of different ages, how to diaper and dress infants, and how to prepare simple foods. They will also learn how to interview for a job and what to expect from employers.

CPR (Infant/Child)

Time: 9:10 a.m.

Grades 5-8

Available 7/25

Participants will become familiar with the Emergency Medical Services System, learn how to perform a primary survey and how to respond to a breathing and cardiac emergency in a child and an infant. Students will learn about safety and prevention of childhood injuries. Older students may receive certification.

First Aid (Red Cross Community)

Grades 5-8

Time: 10:30 a.m.

Available 7/27

After completing this course, participants will be familiar with how to recognize an emergency and care for victims of injuries and sudden illness. Older participants may be able to receive certification.
