

*"Camp Harbor kids explore to learn, discover to grow,  
and create friendships and memories to last a lifetime."*

Dear Camp Families,

The 6/8's are getting ready for a fun summer traveling through Long Island. Listed below are the field trip dates, times and destinations. By initialing in the space provided, you are hereby giving your child permission to attend the field trip on that date. In the event that you would not like your child to attend a trip on a day in which they are in attendance, they will be placed in the 5th-grade group for the duration of the trip on campus. Kindly contact the office if this is the case.

Lunch plans have changed for all field trips that leave before 11am. To maximize the amount of time spent at each location, arrangements have been made to use the dining/picnic/concession area at each facility. Campers are permitted to bring their own bagged lunches on these trips. If there is a food court on site, campers will be permitted to bring money and purchase lunch. Please be advised that some locations are CARD ONLY - for this some parents have put money onto a gift card. Prior to each trip, we will contact the facility and provide you with a menu of food choices and relevant allergy information. For the Long Island Ducks Trip, we will provide a voucher to purchase food. Any details or changes will be sent out prior to the trips.
